Python IDE:

The image shows a screenshot of the Python IDLE Shell 3.10.8 window. The window has a title bar with the text "IDLE Shell 3.10.8" and standard Windows window controls (minimize, maximize, close). Below the title bar is a menu bar with the following options: File, Edit, Shell, Debug, Options, Window, and Help. The main area of the window is a text editor displaying the following text:

```
Python 3.10.8 (tags/v3.10.8:aaaf517, Oct 11 2022, 16:50:30) [MSC v.1933 64 bit (AMD64)] on win32
Type "help", "copyright", "credits" or "license()" for more information.
>>> print("Hello Python")
Hello Python
>>>
```

The text is displayed in a monospaced font. The prompt ">>>" is shown on three lines. The first line shows the Python version and build information. The second line shows the prompt and the command to print "Hello Python". The third line shows the output "Hello Python". The fourth line shows the prompt again.
